A Life Could Be Saved; Perhaps Yours?

In the event of finding someone who has collapsed on the Course or the Clubhouse at Crieff GC, please follow this procedure after quickly assessing the person's condition.

If medical help is needed, telephone

01764 652909

The staff in the professional's shop will arrange a trained defibrillator operative to be directed to the scene and phone for an ambulance.

If the Pro Shop is closed, please phone the clubhouse where bar staff will make the same necessary arrangements.

A reminder of good CPR procedure can be found on the previous page.

Remember, your actions are vital to the casualty's recovery, doing something is better than doing nothing at all.
